

# Beloit-Jones™ 5000 Series Sectors

## Manufactured by Compositech

**5000 Series Sector Gasket**

**5000 Series Sector Clamp**

**5000 Series Sector Bag Clamp**

Compositech manufactures filters and quality filter replacement parts for a variety of vacuum filters including drum filters, disc filters, belt press filters, and horizontal belt filters. We design products to optimize performance in the Pulp and Paper Industry and provide critical disc saveall components such as sectors and wear plates.

We manufacture and stock Compositech designed sectors for **Beloit-Jones™ 5000 Series disc filters** with rod and rail, louvered, corrugated, and punch plate sector models. We also stock sector parts including gaskets, radial rods, clamps, and filter media covers. Our sectors are made of stainless steel and finished with chemical resistant gaskets designed to eliminate deterioration and vacuum leaks between the sector and centershaft. Compositech's radial rods, sector clamps, and bag clamps are all fabricated of stainless steel. Our sector covers and bags are made to out of materials including stainless steel, polypropylene, or Kynar, with sonic weld or zipper closures.

In addition to the sectors and sector parts we manufacture, our service group provides complete **Beloit-Jones™ 5000 Series** sector rebuilds. Contact us to strip, sand blast, pressure wash, inspect, repair, recover and return your disc sectors machine-ready!

*We supply Compositech replacement parts for Andritz, Beloit-Jones™, Celleco™, Eimco®, Dorr Oliver®, IMPCO™, Komline-Sanderson and most other brands of filtration equipment. Our spare parts are manufactured by and warranted by Compositech and they meet or exceed the quality and material of OEM components.*

Compositech is not an authorized replacement parts or service supplier for GL&V®, Beloit Jones™, Celleco™, IMPCO™, Dorr Oliver®, or Eimco® brands of process equipment or parts. Compositech is not associated with GL&V USA Inc. or with FLSmidth A/S or their affiliated entities.
