

CELLECO™ DISC FILTER SPARE PARTS

Manufactured by COMPOSITECH

Customer Service, Superior Parts, Reliability

Compositech manufactures filters and quality filter replacement parts for a variety of vacuum filters including drum filters, disc filters, belt press filters, and horizontal belt filters. We design performance optimizing products for the Pulp and Paper Industry and provide critical disc saveall components.

Compositech regularly provides complete rebuilds of **Celleco™** disc filters. Our technicians conduct on-site inspections to troubleshoot disc filter problems including:

- Inadequate vacuum
- High operating level and rotational speed
- High filtrate solids
- Difficult cake release

We solve filtration issues by repairing and reassembling disc filter centershafts, drives, repulpers, segments, and suction heads. For parts damaged beyond repair, we provide replacement parts made to meet or exceed the material and quality of OEM components. Our stock of Compositech designed spare parts for **Celleco™** disc filters includes wear plates, segments, retainer rings, tie rods, seals, pressure bellows, screw conveyor assemblies, stainless steel hood doors, oscillating and knock off shower heads, gaskets, and valves.

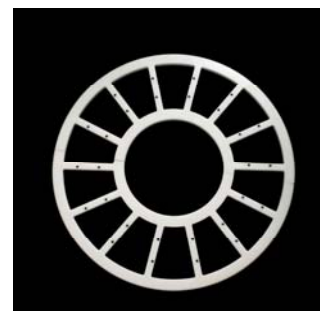

Compositech's goal is to improve production capacity, minimize the potential for non-scheduled shutdowns, and reduce maintenance requirements for each of our customers. We ship machine-ready replacement parts for installation by your own crew or our service group is available for installations and filter overhauls. Please call us for solutions to your filtration problems!

We supply Compositech replacement parts for Celleco™, Beloit Jones™, IMPCO™, Eimco®, Dorr Oliver®, Andritz, Komline-Sanderson and most other brands of filtration equipment. Our spare parts are manufactured by and warranted by Compositech and they meet or exceed the quality and material found in OEM components.

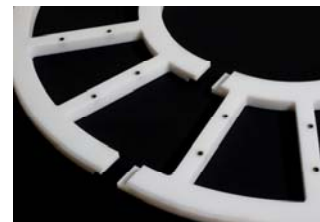

Compositech is not an authorized replacement parts or service supplier for GL&V®, Beloit Jones™, Celleco™, IMPCO™, Eimco®, or Dorr Oliver® brands of process equipment or parts. Compositech is not associated with GL&V USA Inc. or with FLSmidth A/S or their affiliated entities.
